

PROPERTY IMPROVEMENT

A stronger next chapter for your property.

Renovation and construction
capabilities for the evolving
hospitality asset.

40+

YEARS OF EXPERIENCE

**Plan the work.
Renew the
asset.**

Connect property improvement plans, brand requirements, and capital renewal with NorthStar construction and infrastructure support.

Give the project a clear starting point.

Bring scope, budget, and property conditions into the same conversation before renovation work begins.

- | | | |
|--|---|---|
| 01
Define the need
Property improvement plans, cycle renovations, brand compliance, and roofing needs. | 02
Shape the scope
Budgeting, estimating, and preconstruction support to organize the work. | 03
Connect the services
Construction and infrastructure resources aligned with the property's requirements. |
|--|---|---|

Capabilities across the property.

Structure & envelope

Building structure, exterior envelope, and roofing work.

Exterior & site

Exterior improvements and site enhancements that support the property plan.

Interiors & spaces

Interior improvements, reconfigurations, and renovation work.

Infrastructure support

Heating and cooling, power provisioning, mechanical supplementation, temporary offices, and temporary roofing.

Discuss the next phase of your hospitality property with NorthStar.
