

EDUCATION / RECOVERY & READINESS

Plan recovery around the places students depend on.

Classrooms, residence halls and dining spaces serve different needs on the same calendar. NorthStar helps campus and district teams plan physical recovery around the buildings and services they need first.

buildings in the recovery scope

UNC Wilmington: Hurricane Florence | 2018

At UNC Wilmington after Hurricane Florence in 2018, recovery covered 130 buildings. First building turnovers began after four weeks; that milestone does not mean all buildings were complete.
