

PROPERTY IMPROVEMENT

# A stronger next chapter for your property.

Renovation and construction  
capabilities for the evolving  
hospitality asset.

---

## 40+

YEARS OF EXPERIENCE

**Plan the work.  
Renew the  
asset.**

Connect property improvement plans, brand requirements, and capital renewal with NorthStar construction and infrastructure support.

Conceptual architectural imagery.

# Give the project a clear starting point.

Bring scope, budget, and property conditions into the same conversation before renovation work begins.

---

|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| <b>01</b>                                                                           | <b>02</b>                                                                | <b>03</b>                                                                           |
| <b>Define the need</b>                                                              | <b>Shape the scope</b>                                                   | <b>Connect the services</b>                                                         |
| Property improvement plans, cycle renovations, brand compliance, and roofing needs. | Budgeting, estimating, and preconstruction support to organize the work. | Construction and infrastructure resources aligned with the property's requirements. |

## Capabilities across the property.

### Structure & envelope

Building structure, exterior envelope, and roofing work.

### Exterior & site

Exterior improvements and site enhancements that support the property plan.

### Interiors & spaces

Interior improvements, reconfigurations, and renovation work.

### Infrastructure support

Heating and cooling, power provisioning, mechanical supplementation, temporary offices, and temporary roofing.

Discuss the next phase of your hospitality property with NorthStar.
