

NorthStar

We Bring Answers.

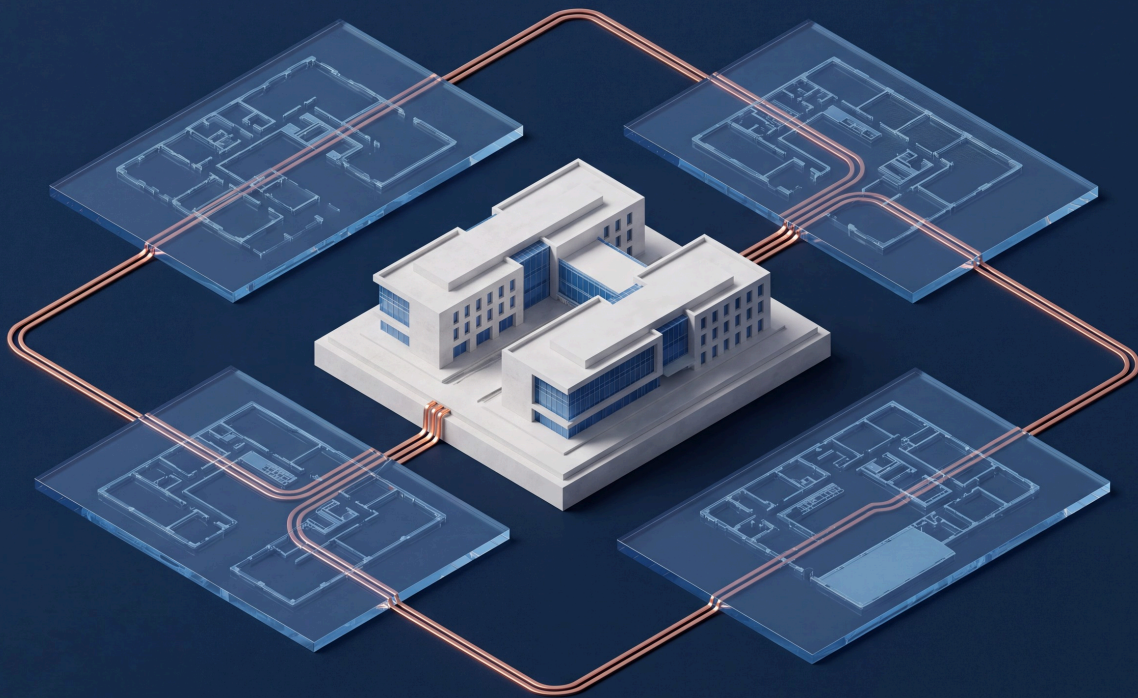

40+

years of experience

PREMIER RESPONSE

A progression to readiness.

One contract. The power of all of NorthStar.

Conceptual architectural imagery.

Prepare the relationship before you need the response.

Align the agreement, procedures and property priorities so the response reflects your organization.

Build readiness. Review what happens next.

THE RESPONSE PROCESS

01 **Master service agreement**

A work-order model with pre-established pricing.

02 **SOP development**

Integrate NorthStar into your standard operating procedures.

03 **Pre-loss planning**

Building assessments, asset monitoring and critical building reviews.

04 **Response**

A response tailored to the individual needs of your organization.

05 **After-action review**

Review the response and capture lessons learned.

Feed lessons learned back into pre-loss planning.

PROGRAM ADVANTAGES

Terms

No-cost priority response under the MSA, no retainer and pre-negotiated pricing.

Preparedness

Training, weather updates and a pre-loss assessment program.

Support and tools

Dedicated Account and Operations Managers. Spatial and exposure mapping. Internal UAV and 3D camera services.

Priority-response program terms are established in the MSA. Recovery work is separately scoped and priced.
